OXFORD AQUA DRY PHONE £19.99

OXFORD AQUA DRY PHONE
UNIVERSAL WEATHERPROOF PHONE MOUNT

For more information visit www.oxprod.com

If you can't afford a sat-nav (or don't want the faff of fitting one), this might be the answer. Oxford's waterproof smartphone cover comes with all you need to fit it to your handlebars, including brackets for either 7/8" or 1 1/2" bars and an adjustable mount. The cover allows you to use your phone's touch screen and, of course, when you reach your destination, it becomes a phone again. Simple! For stockists, see www.oxprod.com.
